1967 Austin Mini Cooper S Mk1 We all remember the original Minis of the 1960s. Used and abused by all and sundry. A most amazing car of it's time. An Issigonis masterpiece and non more iconic than the Mini Cooper S. A Mini wonder nothing less. The Heritage Certificate confirms the car is as it originally left the factory. This car is what can best be described as a stunning example of a genuine Austin Mini Cooper S. Finished in Old English White with a Black Roof and the Red Gold Interior. Its an older restoration, but totally immaculate and almost unmarked. This is a time warp car. It looks and drives absolutely superbly. It wants for nothing and now the good weather is here, its just ready to get out there to be enjoyed. So, if you have been looking for a Mini Cooper S, this stunning little car is the real thing. For driving or showing it will gather crowds wherever it goes and at £35995 its just ripe for the picking. Stunning. Truly Stunning.
