1969 Elan Series 1V coupe. A truly stunning Lotus Elan. Finished in Pistachio Green with Black interior. This car has been fully rebuilt by an experienced mechanic over a 4 year period, with documented pictures. The car is now built on a new Galvanized and Painted Lotus R32 Chassis. The body was removed and sent to Lotus specialist and taken back to gell. Doors have been reprofiled to fit correctly. The engine bay inner wheel arches and underside have been prepared to a very high standard with approximately 300 hrs to prepare and paint the body. Engine was stripped and bored plus 10 with high performance pistons. The crankshaft has been ground with new big ends, mains bearings, jack shaft and cam bearings. Sprint cams and new big valves and caps have been fitted. The head was rebuilt by Head Technique. Twin 40 Webers have been fitted along with a new timing chain and tensioner guides New oil pump, water and fuel pump. S/S braided hoses an Aldon Distributor along wit...
